

WARNING TO ALL SNOWMOBILERS CIRCULATING THROUGH THE LA VERENDRYE Wildlife Reserve:

There is 6 km of shared road with heavy forestry trucks between millage 69 and 75, on route 28.

1. If you arrive **from Kitcisakik ang going South**:
 - a) At the intersection of the road 213 and 28, stop to read the sign which indicate that you are using a shared road with heavy trucks for 6 km (you are at millage 69),
 - b) Look carefully both directions. If you see a heavy truck coming, stop and let it pass first. They have the priority. You must obligatorily turn on your right and drive on the road shoulder, without stopping until you reach the intersection 63-386 (5 km West at km74). Turn left for the Pourvoirie de La Verendrye, trail 386 South.
 - c) To go towards Joncas or Ville-Marie, keep going straight 1 km further. Turn left for trail 63. Joncas is located at 15 km from the intersection.
 - d) The trails are South of the route 28.
 - e) If you meet a heavy truck, slowdown and keep the road shoulder.

2. If going **direction North from the Pavillon de La Verendrye**, the intersection toward route 28 is at 42 km ahead.
 - a) At the intersection of the trail 63-386 and route 28, stop and read the sign for information on using a shared road with heavy forestry trucks for the next 6 km.
 - b) Look carefully both directions. If you see a heavy truck coming, stop and let it pass first. They have priority.
 - c) If going towards Joncas or Ville-Marie, turn left on trail 63 West (1 km on shared road).
 - d) If going toward Val-d'Or, turn right on trail 386 North. (be careful, 5 km shared road with heavy trucks).
 - e) Drive on the road shoulder, without stopping, to reach the intersection of route 28 on the snowmobile trail. If you meet heavy truck, slowdown.

3. If coming **from Joncas or Ville-Marie and going toward East** (Pavillon de La Verendrye) or North toward Val-d'Or:
 - a) At the intersection of trail 63 and route 28 (km75) stop to read the sign information. Be aware you are using a shared road for 6 km.
 - b) Look carefully both directions. If you see a heavy truck coming, stop and let it pass first. They have priority. You must obligatorily turn right and drive on the road shoulder until you reach the intersection of trails 63-386. To reach the Pourvoirie de La Verendrye, turn right on trail 386 South.
 - c) If going toward Val-d'Or, go 5 extra km on route 28, toward km 69. Obligatorily turn left to reach trail 386 North (85 km to Kitcisakik and 185 to Val-d'Or).
